

Dear Neighbour

As a fellow business on the Hainault Business Park, we are contacting all of our neighbours to introduce our services. SECOM Plc is a recognised leading global provider of quality security solutions and systems. Beech Lodge is our eastern regional office which supports our customers from design, installation, service, maintenance and after sales support. Our core business areas are,

Intruder detection and Personal attack systems  
CCTV and surveillance systems  
Access control and door entry systems  
Remote Monitoring solutions  
Physical security products and solutions  
Key-Response services

As a neighbour we would wish to make the offer that at your invitation we would be pleased to meet with you and with your agreement we would carry out a security risk assessment of your premises. We would in return provide you with a full report and detailing any recommendations along with associated costs to ensure your property and assets are safe and secure. Our offer is at no cost to you and the offer we make for any works that you may require will be at a very competitive rate and will take into account the fact that we are neighbours.

Should you already have an electronic security system installed and maintained by a competitive company, we would be pleased to make an offer of a service, maintenance and monitoring agreement should you consider to change over your services to our company. SECOM have a fully industry approved remote alarm and CCTV monitoring centre to offer you the peace of mind in the comfort that your business is being remotely managed 24hrs, 365 days of the year.

Please feel free to contact us at any time.

Yours sincerely

Alan Hazell  
UK South Regional Sales Manager                      ahazell@secom.plc.uk

Lisa May  
Regional Sales Administrator                      lmay@secom.plc.uk
