Dear Chris,

Re: AGM 29th March 2007

Thank you for your warm welcome yesterday and I write to congratulate you on the meeting, which was a testimony to your and Jim's hard work and achievements.

The work on crime reduction, traffic issues and improving the appearance of the Hainault Business Park are notable in themselves but what you have achieved and are about to achieve in funding is remarkable.

I know the amount of effort and numbers of hours you and Jim put in may never be fully appreciated and I am pleased to be associated with such a high profile and important project.

Yours sincerely
